## Moosomin Thrift Store & Food Share

# A perfect way to give back!

Come volunteer with us at the Moosomin Thrift Store and Food Share! We are open 12:00 – 5:00 Monday to Thursday for shopping as well as donation drop offs and Fridays we are open 12:00 – 5:00 for donation drop off only. We accept cash, debit, Visa and Mastercard. The Thrift Store and Food Share relies on the community and surrounding areas for donations. That is how we are able to keep the doors open and the shelves stocked!

If you haven't been in our store lately, we highly encourage you to come in and have a look around. We have been so fortunate to have been approved for various grants which let us move forward with many projects. Every little bit helps when receiving these grants and with them covering the costs of our projects, we were able to donate to a few things in our local community as well! We've donated to the Moosomin Airport Expansion, the daycares in Moosomin and Wapella, STARS and to McNaughton High School Breakfast Program to name a few.

We also acknowledge that we wouldn't be able to give these donations to our community without the help of our amazing volunteers. They are the reason this store is the way it is and why we are able to operate so smoothly. They are the backbone and the front of this operation and we cannot tell them in words how much we appreciate all that they do. From taking donations and sorting them, from helping customers and ringing through purchases on the till, organizing displays to cleaning, there is a neverending to do list and somehow each one of them puts a dent in it every day! We have such a good report with everyone and it is such a joy to come to the store and work alongside these ladies and gentlemen every day! If you are looking for ways to give back to your community and want to get outside of your house, we would love to have you at our store.

We are always looking for new volunteers and we want you to come down and see what all the excitement is about!

Keep an eye on our Facebook page and Instagram page to be in the know of our weekly sales and remember that every Wednesday is bag day. For only \$15.00 you can fill a bag of clothes (mens, womens and kids).

If you are wanting to know more about our organization, are wanting to volunteer, or to make a monetary donation, please come down to see us at our location – 609 Gordon Street, Moosomin; phone Samantha Campbell at 306-435-2633 or email me at sehas2018@sasktel.net. You can also leave us a message on our Facebook

page or Instagram page – Moosomin Thrift Store. If you are wanting to mail us, our address is P.O. Box 1803, Moosomin, SK or you can e-transfer us at sehas2018@sasktel.net. Another option is to go on our website www.moosominfoodshare.com to fill out any forms or see what's new at our store! We would love to have you join our Thrift Store family!

## Moosomin & District Arts Council

# Keeping the arts alive and thriving!

Moosomin and District Arts Council (MADAC) is comprised of Standing Committees: The Performing Arts, Theatre Board and Mooseberry Acting Company. As you may have already heard, the Moosomin Visual Arts Center is still in the inception stage so please watch for further developments. Each committee functions under the parameters of MADAC'S Constitution and By-Laws yet have independent boards that report regularly to the council. Our "umbrella" organization supports, fosters and promotes participation in all the arts by presenting diversified activities that will expand cultural experiences. This year marks our 45th anniversary since incorporation!

MADAC Council is primarily responsible for governance and the Performing Arts. This season brings 4 dynamic, musical performances that wouldn't be possible without the continuous and generous support from our community sponsors and faithful patrons. Season tickets will also be available for purchase at our first concert on October 30th.

For those residing in Moosomin, we will be offering rides to the concerts if you need one.

610 Main St, known as "the Theatre", is home to our concert series and drama productions. The theatre committee is responsible for the operation and maintenance of the building which yes, we do own. They have done a remarkable job with renovations and preserving the character of the building. This has been achieved with money obtained through rental bookings and weekly movies.

Mooseberry Acting Company provides live theatre performances (typically comedies) with the goal to present one if not two shows a year. Local cast members show us what characters they can be! The company also contributes to the upkeep of the theatre.

All this happens with numerous volunteers assisting to keep the arts council going. More hands would be appreciated in any capacity.

For further information please contact Terry Grant. Cell & text (306) 434-6240

## The 802 Pipestone Air Cadets Teaching youth how to become productive and positive leaders and citizens

The Moosomin 802 Royal Canadian Air Cadet Pipestone Squadron is a youth program that has operated in the Moosomin area since forming in 1971. The cadet program is open to all youth in the area between the ages of 12 years to 18 years of age, with no fees. New cadets are welcome at any time of the year and there is no set registration deadline.

The cadet program is a collaboration between the Air Cadet League of Canada and Department of National Defense, with the main goals of the program focusing on the promotion of positive citizenship, leadership and fostering an interest in the military.

Cadets meet every Monday throughout the school year at the Moosomin Convention Centre. During the weekly sessions, cadets will learn about the fundamentals of flight, survival skills, how to maintain care of their uniforms, marksmanship, and learn about the Canadian Armed Forces and the roles they play internationally, just to mention a brief few of the topics covered. During the training year the cadets will also get to experience survival campouts, gliding, and participation in Remembrance Day ceremonies, drill, marksmanship and effective speaking competitions, as well as visiting various military institutions.

With all the activities that the squadron performs throughout the year, the biggest draw to the program continues to be the ability for cadets to earn either their gliders pilot license or their power aircraft license at no cost to the cadet. Over the course of the last 10 years, 802 Pipestone Air Cadets have graduated seven pilots.

Cadets through hard work have the ability to earn their glider's license at 15 years of age and 16 years of age for their private pilot's license. If cadets choose not to pursue their pilots license, the cadet program has many more summer courses that can be taken such as survival instructor, advanced aviation, leadership and ceremonial instructor, physical fitness instructors, basic survival, and general training.

"One of the most rewarding aspects of this program is watching the cadets mature and become strong independent individuals," says Capt. Dennis Youngblut. "This is one of the few programs that I know of where youth are encouraged to take charge and teach their peers. Our program teaches youth how to become productive and positive leaders and citizens."

## THE 802 PIPESTONE AIR CADETS

The 802 Pipestone Air Cadets meet every Monday at 6:30 p.m. - 9:00 p.m. at the Conexus Convention Centre in Moosomin.

**Parade times:

## Nutrien Rocanville Community Hall celebrating its 7th year

Nutrien Rocanville Community Hall is celebrating its seventh year since it opened its doors in October of 2016.

The Hall has been used for many events such as weddings, funerals, religious services, cabarets, concerts, reunions, dance classes, meetings, training, and even GX94 Star Search.

The large space, the ease of setting up, and the functionality of the kitchen and bar are only a few of the many features that people often compliment when renting the facility. The stage is spacious and hosts a first-class sound

system, two large projector screens, and a beautifully lit actors' space in the wings.

The main hall is 87 feet by 79 feet for a total of 6,873 sq are feet. The stage area is 43 feet by 24 feet, for a total of 1,032 square feet.

The Hall Committee would like the thank the many businesses and individuals who have donated to the hall and thank everyone for their ongoing support.

The hall has been a great addition to the community, and we look forward to continuing to serve the community.

# Moosomin Curling Club

## It's fun, it's good for you— it's time to give curling a try!

Curling is a staple in small towns and communities around Canada every winter, but few people give thought to how beneficial the sport is. Not only is curling fun, it's a way to keep healthy and active in the winter. It provides a great way to foster social interaction during the long, cold winter months, and it's also a great workout!

Some of the main benefits of curling are as follows:

**Aerobic fitness:** Working out in the cold can burn more calories, and since curling is played on ice and players are constantly competing and running back and forth from end to end, it will definitely increase your heart rate and improve the cardiovascular system.

**Strengthens your muscles:** Sliding on the ice and being in constant squatting position strengthens the calves, glutes and quadriceps. You can also get a good core workout by practicing curling and sweeping vigorously ahead of the stone.

**Social interaction:** In many communities, curling clubs are among only a few recreational resources available. It becomes a place where they can talk with others, build friendships and take leadership roles, increasing both their confidence and resiliency when coping with challenges.

**Flexibility:** The team member who delivers the stone in a curling game often

stays very low to the ice before pushing the stone. Staying this low to the ice requires a great deal of flexibility.

**Precision:** Curling requires precision. It has been nicknamed "chess on ice" for the amount of strategy involved in winning a game. This is one of the reasons it is so popular among both players and spectators.

**Stretching and toning legs:** Stretching and toning your legs is a way the players workout before playing the game. The stretching and toning not only helps with the flexibility for the game but it also carries out in day-to-day activities.

**Promotes weight-loss:** Sliding on ice burns a lot of calories, yet because you are playing on ice, you don't perspire as much. Curling requires a lot of sliding back and forth, which burns calories.

It can be done by anyone, including the disabled: Curling is a sport that is enjoyed by everyone, no matter the age or ability. In fact, the Paralympic Games feature a Wheelchair Curling event.

**Fun and interactive:** It is a sport for both men and women and is played by both adults and kids of all ages. Not only is it a great way to meet people who have the same interest in curling but it can be a great networking medium. In addition, many people with depression turn towards curling because it's a fun and interactive sport that opens up their social realm.

## East Central Newcomer Welcome Centre Inc. helps newcomers to Canada successfully settle and feel welcome in East Central Saskatchewan

The East Central Newcomer Welcome Centre Inc. is a non-profit agency which provides information and services to newcomers, immigrants and refugees in the East Central Saskatchewan region leading towards successful settlement and integration in the community. The agency has a service area of 150 km radius around Yorkton.

The East Central Newcomer Welcome Centre Inc. is a first stop collaborative centre to welcome newcomers to the East Central Saskatchewan region. Newcomers establish their first connections with their new community, through the agency by accessing information about the resources and services available in the community. The agency offers Settlement Services, the Settlement Worker in Schools Program (SWIS), the Community Connections Program and the Local Immigration Partnership (LIP). Some of the services provided by the agency for newcomers to Canada include: Community facilities and services tours, identifying newcomer's settlement needs, connection to cultural, social and recreational groups and events, referrals to community services, connecting with volunteers to support them in their settlement and integration, solution focused counseling, information and orientation seminars and interpretation. The agency also provides community connections to housing, education, healthcare, banking, transportation, employment, places of worship and other activities which accelerate the settlement process.

The Settlement Worker in Schools Program (SWIS) is a school-based program designed to help newcomer students and their families settle in their school and community. SWIS connects newly arrived families to services and resources in the school and community to promote settlement and foster student achievement. The SWIS program focuses on newcomer families that are in their first few years in Canada. The program also focuses on newcomer students and parents, that have unresolved settlement needs.

The Local Immigration Partnership is a new initiative aimed at bringing together service providers, settlement agencies, community groups, municipal representatives, employers and other key

organizations across the municipalities in East Central Saskatchewan to create welcoming and inclusive communities for newcomers to Canada.

The agency strives to welcome and assist newcomers and foster a sense of community by working with service providers, communities, employers

and government partners in order to provide settlement services across the East Central region of Saskatchewan. Our office is located at Unit H, 132

Broadway Street West in Yorkton. Contact us at 1 (306) 783-2777 or at ecnwcinfo@ecnwc.ca. We are also on Facebook at East Central Newcomer

# Trinity Lutheran Church welcomes you

Trinity Lutheran Church is a Christian Church located at 501 Mark Avenue in Moosomin. The church was built in 1962 and has been serving Moosomin and area since that time.

Trinity Lutheran Church is a member congregation of the Lutheran Church-Canada. The basis of all Lutheran teachings is the Bible. Martin Luther and the other reformers wrote a series of documents answering accusations that their teaching was contrary to commonly held beliefs and practices of the 15th century church. These defenses and arguments, based upon the Bible, were presented before a series of theological gatherings. Eventually, they were compiled into "The Book of Concord." These comprise the doctrine and confession of the Lutheran Church. For more information, please refer to the Lutheran Church-Canada website: [www.lutheran-church-canada.ca](http://www.lutheran-church-canada.ca)

Trinity Lutheran Church is a supporter of various mission organizations, both locally and abroad:

- Lutheran Women's Missionary League - Canada.
- Lutheran Layman's League, which includes the Lutheran Hour, a weekly radio broadcast.
- Canadian Lutheran World Relief, which assists in sponsoring refugees and co-ordinating development projects and emergency relief in response to needs around the world.
- Moosomin Food Bank.
- Regina Street Ministry
- Gideons International, whose primary activity is distributing copies of the Bible free of charge.

We are privileged to be

Trinity Lutheran Church in Moosomin.

served by three ordained Lutheran Pastors:

- Pastor D.J. Kim, Chaplain for the Regina City Police and Missionary at Large for the Regina Street Ministry, Regina, Sask.
- Pastor Edmund Mielke, Grace Lutheran Church, Brandon, Manitoba
- Pastor Barry Wood, St. Matthew's Lutheran Church, Roblin, Manitoba.

Our regular worship service is Saturday evenings at 7 p.m. A Bible Study is offered every Wednesday evening at 7 p.m. Please refer to our weekly ad in the World-Spectator for a schedule of service times and Pastors.

## The Saskatchewan Wildlife Federation: Enhancing fish and wildlife habitat since 1929

The Saskatchewan Wildlife Federation is a non-profit, non-government, charitable organization of over 33,000 members in 122 branches across Saskatchewan representing every walk of life.

Per capita, we are the largest wildlife conservation organization of its kind in the world. Established in 1929, the SWF has become an acknowledged leader in the conservation field.

Our mission is "To ensure the wild life legacy we leave to our children surpasses that which we inherited."

Our objectives are as follows:

- To acknowledge first and foremost that the wildlife of the province is a public resource belonging to all Saskatchewan residents, and to ensure the resource remains equally accessible to all residents of the province.
- To promote conservation, fishing, trapping, hunting, the shooting sports, and wildlife-oriented activities.
- To practice and promote wise management and use of our natural resources.
- To develop and maintain conservation policies.
- To develop and maintain conservation and educational programs.
- To acquire and enhance habitat for wildlife.
- To accept donations of real estate,

A mule deer buck.

monetary funds, and materials for the purpose of furthering the sustainability of our fish and wildlife resources.

• To keep provincial measuring records of big game heads, recognizing the Henry Kelsey record keeping association as and ancillary body of the SWF.

In 1929 the Saskatchewan Fish & Game Protective Association was formed through the initiative of three individuals, Mr. Judge Bence and Mr. Tom Coburn from North Battleford and Mr. Stan Naden from Regina. They recognized the need for a united provincial voice for Saskatchewan's anglers and hunters to protect our unparalleled natural resources.

On February 1, 1932 at a meeting of the organization, the name was changed to the Saskatchewan Fish & Game League, and by 1934 boasted 14 branches with 839 members who paid a membership fee of 25 cents.

Due to the League's expanding scope and activities, the name was changed in 1966 to The Saskatchewan Wildlife Federation and finally was registered as a non-profit organization in 1982 as Saskatchewan Wildlife Federation.

In 1968, the Federation adopted the whooping crane, a species that was clawing its way back from the brink of extinction, as its official emblem.

### The Voice of the Organized Sportsman

**Youth Outdoor Leadership & Conservation School**

Qualified instructors teach youth outdoor skills and the development of an outdoor ethic as the basis of facilitating leadership skills.

**Operation Respect** - Program provides signs to the landowner that are designed to encourage the hunter to "Respect the Landowner's Rights - Ask Permission to Hunt."

**Wildlife Tomorrow** - To preserve habitat in its natural state for all species of wildlife.

**Habitat Trust** - Habitat Trust is a special fund established in 1978 for the purchase, retention, and enhancement of critical wildlife habitat across the province.

**Youth** - A "Wonders of Wildlife" Manual has been developed, with the co-operation of other programs and conservation groups.

**Fisheries** - S.W.F. branches conduct local fisheries projects (fish stocking, stream enhancement, trout ponds, etc.) throughout the province in conjunction with the provincial governments Fish & Wildlife Development Fund. With assistance from biologists, the branches are the main force behind securing much of Saskatchewan's fisheries habitat.

**Habitat Enhancement** - Over one million trees have been planted on cultivated parcels of wildlife land throughout the province to provide food and shelter for wildlife.

**Henry Kelsey** - An annual listing is kept of all qualifying big game heads, with a Records Book published every few years.

# Welwyn rink looking forward to another busy season!

The community of Welwyn may be small, but our rink is one of the most hopping rinks around with a ton of activities lined up through the rink season, and people from other communities coming to Welwyn regularly to take advantage of our great facility.

Our rink season starts after Christmas every year, in January. Ice goes in in December, and the rink will be open in January.

Last year we kicked off the rink season with a New Year's Eve Bonspiel, and we are planning to do that again this season!

After that it's full speed ahead. There is regular curling on Wednesday, Thursday and Friday nights at 7 pm. This is open to anyone. Teams can be mixed, and any age is welcome. Teams curl once a week. To register as a team or as a single, call Charles Cuthill at 306-434-7217.

We are also planning on hosting a Junior Learn to Curl program this year once a week. Are your kids interested in learning to curl? If so please let us know. Once we know how much interest there is in this program, we will choose a night that works for this program! Please contact Charles Cuthill at 306-434-7217 if you are interested in this program.

The rink also holds public skating on Mondays, Wednesdays and Fridays each week from 7-9 pm. A season pass is just \$80 or you can pay a

\$5 drop-in fee for public skating.

We will once again be hosting our Sweetheart's Steak Night in February (watch for details!), as well as our Minor Hockey Day.

One of our most successful events—our Kids' Bonspiel—will be held again this season. This event is on the Monday of the February long weekend, on February 19, 2024. It is for ages 8-18. Kids can enter as a team or a single. This event is always a ton of fun, and a great way to get kids out curling!

Our always popular St. Pat's Bonspiel will be held from Tuesday, March 12 to Sunday, March 17 this year. This spiel is always a ton of fun with lots of teams from all over coming out for it. Contact us to enter your team at 306-434-7217. This spiel ends our rink season for 2023.

Our rink really is the community of Welwyn—there is no community without it. We are super lucky for a small community to have curling and skating and hockey. Our rink is the heart of the community. It's where people gather. We are lucky to have such a great rec facility here in Welwyn!

Our rink's success is based on the fact that it is still 100 per cent volunteer operated. All of the ice making, maintenance, all events are run by volunteers. If you live in the Welwyn area, you will likely take a shift volunteering at our rink at some point!

The 2023 Welwyn St. Pat's Bonspiel Champs

We appreciate all the hard work and dedication by our local volunteers who keep our rink thriving and successful.

We love it when people from other communities come to our rink and support our events and activities. We regularly see people from Wapella, McAuley, Rocanville, Elkhorn, St. Lazare and Moosomin at our events. The more the merrier!

To pre-register for any of the events or activities for the 2024 rink season, or for questions, please contact Charles Cuthill at 306-434-7217.

## The Redvers Wildlife Federation Giving back to the community since 1967

The Redvers Wildlife Club was founded in 1967. It has had thousands upon thousands of volunteer hours given to it.

We recently handed out a 30 years recognition award to 12 people, for their hard work and dedication to the club for 30 plus years of service. 8 are still active mem-

bers, and 4 late members who have passed on.

Each year we hold an annual horn scoring "Buck Night" the first Sunday after rifle season is over, we have 5 Henry Kelsey certified scorers in our club.

Redvers wildlife archery club got so large they branched off on their own.

We usually try and take the junior wildlife fishing towards end of the fishing season, once it warms up and their other winter sports are slowing down for the year.

We have a shed hunt for the junior wildlife members in the spring, searching for deer, moose & elk horns. Lunch is served and the kids are introduced to archery once the shed hunt is complete.

We have an annual fish fry, and club members awards night normally in June which we fry up 150+ pounds of fresh fish and feed on average 225 people.

Our past projects include Lightning Creek, Redvers dam project, moving the log cabin to town which we share with the tourism committee.

Shriners Hospital For Children in Montreal

Linda and I moved to Moosomin in 2007 to be closer to family and soon felt that this would be a great place to live. I got a job at the John Deere Dealership and got to know much of the farming community as well as the other staff members. But there was something missing. When I was asked to attend a meeting of the local Shrine club, I thought this was an opportunity to meet some new people and gladly accepted the invitation. I met a group of guys that made me feel welcome. I was impressed with their interest in doing their part to make Moosomin the best it can be. The Shrine organization was the right fit for us.

Shriners Hospitals for Children are considered one of the world's greatest philanthropies. There are 22 hospitals in North America -- funded entirely with private money. These hospitals specialize in several children's illnesses (and injuries) requiring special and highly technical treatment. Not only do they provide quality care, they also do research and have developed many techniques and treatments that are used around the world. The fundraising efforts of the Moosomin Shrine Club are used to cover the transportation costs to get the child and a parent to the hospital that provides the best care needed. We also retain a portion of the funds raised to support worthwhile community needs and/or families whose child's specific ailment does not fall within the areas of care provided by any of the Shrine Hospitals

Service clubs fill an important role in a small town. They contribute to a strong and vibrant community. The efforts put forward by service club members are rewarded time and again when a need is met. Whether you are new to Town or have lived here for many years and would like to add something new and exciting to your life, give Shrine a consideration. You will never regret your decision.
