

WOMEN IN BUSINESS

Sandra Garrett The Witch's Brew

When I first envisioned The Witch's Brew, I didn't even have a name picked out. I only knew that Moosomin needed a place to have a good cup of coffee, and tasty home baking. My family's support in this endeavour was amazing! I truly couldn't be who I am today without them!

Since 2009 we have evolved from just coffee, baking and a lunch special, to having a fully licensed restaurant, with gluten free and vegetarian options. We also do catering for many events and are available for private bookings in-house or off location.

Our sugar cookies, oreo cookies, biscuits, and cheesecakes are top sellers! All our baking is homemade, from recipes we have developed especially for you! Our lounge area in the back is well used by all ages for a comfy place to visit with friends, and family.

My staff and I love seeing our regular customers, and meeting all the travellers passing through town. It means a lot to us to get to visit with everyone! If you have yet to get to come for a spell, we look forward to serving you up a slice of magic we call The Brew!

I always felt the draw to come back to Moosomin, and after 18 years in Moose Jaw, I did!

The small town life is a nice place to raise children and just be a part of a community!

My parents are here as well as my brothers and their families so the transition was smooth and the best choice for Tyler, Chance, Ava and I.

My passion for hair and business sense combined for a small town salon with coffee, laughter and of course beautiful hair. I have amazing staff, we communicate & listen, respect each other, motivate & guide and most of all we provide a service to this great community of ours!

Samantha Down Whippletree Coffee & Maid Marien's Catering

Food to me is the essence of human connection. Sharing our stories and experiences over breaking of bread is what brings us together as people. No matter where you come from or where you are going, you are bound to get hungry. I love being the bridge to that need.

My passion for preparing and serving great food started at a young age on the farm outside of Whitewood with my Grandmother, who has been one of my biggest inspirations. I loved finding my role in my large family as the "nourisher." I found talent in my adolescence as someone who could bridge my creativity and love for hard work, and turn that into a rewarding career.

Catering and serving coffee in Esterhazy has brought amazing fulfillment to my life, this is the place where I began and I'm happy to make it the place where I have ended up.

Maid Marien's catering specializes in large events and custom menu work, and Whippletree coffee is the best spot in town for an excellent fresh scone and cappuccino with sandwich or salad for lunch.

Come see us at Whippletree in Esterhazy, Monday to Friday 8 am - 4 pm; Saturday 10 am - 3 pm.

Carmen Hamilton Royal LePage Premier Realty

Fresh out of high school in 2010, diploma in hand and my first set of real estate textbooks on order, I was both excited and nervous to get started on my real estate career. Jump to January 2012 after completing my Real Estate schooling & receiving my Interior Design diploma, I was signing my first contract as a licensed Realtor in Saskatchewan, not to mention, I was the youngest Realtor in the province at the time at the age of 20.

Naive, but ambitious, I took on the most challenging first couple years of my career selling Real Estate in Moose Jaw, SK where in only a year I gained top producing agent in my brokerage. In 2014, I moved back to the Moosomin area where I've been selling real estate ever since.

Today, I am a member with Royal LePage Premier Realty and specialize in buying and selling residential real estate in the Moosomin area. In the past 9 years I've achieved many top achievement awards: president's gold & director's platinum awards, and have been honoured to sell over 200+ properties with over \$32 million in sales. If I'm not selling real estate, you can find me at South Prairie Residential Design here in Moosomin, designing kitchens & homes with my husband!

Jessica Cuthill Essentially Yours - Hair by Jess

I grew up in Esterhazy and moved to Saskatoon where I took my training as a stylist and esthetician at Marca College.

I worked at a hair salon/day spa in the city for a year and then decided to take a job at a busy salon in my hometown where I finished out my apprenticeship. After becoming certified as a journeyman hairstylist in 2005, I decided to open my own salon in Esterhazy offering full esthetic and hair services.

In 2011, after the birth of our second child, I made the decision to devote more time to our young family and sell the salon.

I continued to work part-time as a stylist and in 2013 we made the move to a farm near my husband's hometown of Welwyn. This is where our third child was born. We love this area!

I now run my salon "Essentially Yours" in Rocanville and I am loving every minute of it.

I am active in volunteering, curling and watching my kids and their activities.

Pat Siemens Pat's Pictures

Hello. I am Pat Siemens and I operate a small Photography business known as Pat's Pictures out of our home. I was born and raised in Brandon, Manitoba but now married for over 20 years and residing near Kola, Manitoba on a farm with my husband and 2 boys.

My passion for photography started in high school. So here I am, 30 plus years later, I still have the same passion and it continues to grow. As a photographer, I have participated in courses and seminars to keep current and that will always be an ongoing process.

I have seen many changes in photography over the years with the advent of digital photography. It has become as much art as simply photographing portraits. I'm still a firm believer in quality portraits that belong on the walls, over mantels, and also in our wallets.

Pat's Pictures has evolved from wedding and family photography to now including school portraits, sports teams and individuals, graduations, passport pictures, and event photography.

A huge thank you goes out to my devoted clientele and many wonderful people that I've met and continuing to meet. They keep me passionate about my photography which makes me continue to strive to deliver quality.

Rae Mitten

Mitten Law Office

The influences on my choice of professions are several. First, the strong formative education I received in Orangeville School up to and including grade five, and later Moosomin School, grades six to twelve, provided me with a strong academic background from which I could make meaningful choices for a future career. Kudos to several of my teachers who have survived this experience, namely Della (Webster) Crosson and Henry (Hank) Reis, and as well they attended and spoke of their experiences at School Reunions in Orangeville and Moosomin, respectively, in 2017.

I followed in their footsteps teaching in Redvers, SK for some 30 years. Secondly, living in Saskatchewan, Canada, at the time of significant social democratic developments, such as Medicare, on the one hand, and the Charter of Rights and Freedoms, on the other, eventually focused my attention on social justice and the law, in addition to education.

I pursued further studies at the University of Regina receiving an M.A. in 1974, and at the University of Saskatchewan, where I also served as a teaching assistant and sessional lecturer, receiving from the University of Saskatchewan inter alia a JD (2000), an LLM (2004) and a PhD (2011). My sabbatical was also assisted by the receipt of the P. E. MacKenzie Scholarship in 1998, and the Law Society of Saskatchewan's E. M. Culliton Scholarship for Graduate Studies in Criminal Law in 2013. Both Justices, P. E. MacKenzie and E. M. Culliton had been Chief Justices of the Court of Appeal of Saskatchewan, where I served a Clerkship in 2001, when Edward Bayda was the Chief Justice, and all three were very distinguished jurists. E. M. Culliton was particularly noted for his legal advocacy for farmers during the drought and great depression when he practiced Law in Gravelbourg, Saskatchewan, and later for advocating the preparation and role of the Appellate Courts, necessitating the hiring of Law Clerks to assist with the research and preparation.

After my JD, I articulated (actually termed a clerkship) at the Court of Appeal of Saskatchewan, listening to the appellate court hearings, and writing Bench Memos for the Justices. It was wonderful to see them again at the 100th Anniversary Celebration of the Saskatchewan Court of Appeal, March 19, 2018. I also completed a portion of my articles at MLT, Regina, and worked as a legal assistant at MLT, Saskatoon (both now MLT Aikins) one summer, following receipt of their Entrance Scholarship to the College of Law, University of Saskatchewan, and at MLT, Regina, as part of my in-firm articles while clerking at the Saskatchewan Court of Appeal, 2000-2001.

I was admitted to the Saskatchewan Bar in 2001. I also took seminars in Alternate Dispute Resolution. I now have a small solo practice, Mitten Law, in Redvers, SK. Prior to entering a career in Law, I taught 31 years in Redvers, SK, including teaching the following subjects, Chemistry 20 and 30, Physics 20 and 30, General Science 10, and Psychology 20 and 30, and other subjects as assigned. I also served as a teaching assistant and sessional lecturer at the College of Law, University of Saskatchewan.

I am currently completing my final year of a second three-year term as an elected Senator of the University of Saskatchewan.

I cherish and often reminisce fondly about all of these opportunities, and the people I was privileged to meet along the way.

Kari Kosior

Kari's Kloset

Kari comes from Virden, MB where she graduated high school. She continued her education at ACC in Brandon and received her diploma in Business Administration. She knew someday, she wanted to own her own clothing store. Therefore, she started working in the clothing industry at Ricki's in the mall. Starting off as a sales associate then moving up to an assistant manager, and then to an acting store manager, it was in her last year as an acting store manager where she knew she was ready to be on her own. She was lucky to meet Jeanne Waterman, which later connected her to buying the building where JayLyn's Boutique was located in downtown Moosomin.

12 years later, Kari's Kloset is well known for its great service, its great displays and for its large selection in ladies clothing, footwear and accessories. It has become well known in the latter years for their OOTD (outfit of the day) daily post on Facebook and for their growing selection of Canadian made lines.

Kari has 18 years experience in the clothing retail industry. Her staff, Helen has worked there for 12 years, Jolene for 7.5 years, Robin for 7 years, Jenn for 6 years, and Janelle in Bookkeeping for 4 years. They are a "work" family, who together have the reputation of being honest, helpful, reliable and fun!

Kari loves working with her clients, working on visual merchandising and doing the buying and ordering for the store. She has made so many amazing relationships along the way with her customers, sales reps, and fellow business colleagues.

A year ago October, Kari invested in building her online brand and as a result of the current pandemic, the store's online business through social media and e-commerce is thriving! Kari's Kloset has seen substantial growth with new client's and returning client's. It has been very rewarding given the hardships faced with having to close their doors for 8 weeks in the spring. She is feeling more grateful then ever for her family, her staff, her client's and her community!

Kari is happily married to Ben Kosior and they have two girls, Billee (5) and Rayna (3), their new pup Lady and kitty Bo.

Aspen Grove Campground

We have just celebrated our 10th season of running Aspen Grove Campground!

We are grateful that we have the support of our local communities near to Aspen Grove Campground and campers from near and far.

I am from Brandon, MB born and raised. After graduating university I lived abroad (Europe) for a few years back in the late 90's. After returning to Brandon I worked in the healthcare field and in financial services. Running a campground is something that my husband & I thought we would like to do in our retirement. However the opportunity presented itself in mid-life and we took the risk and partnered with former owners of the campground. Three years ago we ended up purchasing the campground outright from our partners and now it is just the two of us, me and my husband. He looks after the back end (back of the house) and I look after the front end (front of the house). While it is a lot of work during the season we have great staff in the store to help us with the smooth running of the park and for this we are grateful.

If you haven't visited us before we would love to see you next season. Our amenities include showers/bathrooms, play structure for the kids, volleyball (sand court), basketball, horseshoes, shuffleboard, walking trails and mini golf (\$). We have a cook shack which is available for rent. We have had birthdays, anniversary parties and family reunions. We are conveniently situated on the Trans Canada Highway between Virden & Oak Lake, MB and have full service 50 amp & 30 amp sites, tent sites (no service), electric and water sites. We rent our sites as seasonal, daily, weekly and monthly. We take bookings year round by email or directly from our website: www.aspengrovecampground.com. During the season you can call us to make your booking at 204-855-2260 (May-Sept). My priorities and concerns are always the campers - without the campers we do not have a campground nor do the staff have a job. The camper must always be at the center of what we do. We are a family run, family oriented campground and our goal is to provide a safe, fun and relaxing camping experience. We look forward to seeing you all in the Spring and Summer of 2021!

Jolene de Vries

Anytime Fitness

My name is Jolene de Vries. I am the Owner of Anytime Fitness Esterhazy and Yorkton with my husband Eddy. I was born and raised in the Regina area and moved out to Esterhazy permanently in late 2012/early 2013. I have an engineering degree from the University of Regina and am also a Six Sigma Master Black Belt (Statistics). Four years ago my husband and I took a leap of faith and opened our first gym in Esterhazy. Three years ago we opened our second one in Yorkton. I have always been into working out and fitness as long as I can remember. Six years ago I took the leap into the fitness world as a sideline to my job at the mine when I obtained my Sport and Exercise Nutrition Coaching Certification from Precision Nutrition, and 4 years ago I left the mine to work full-time in our gyms. Since then I have also obtained my National Academy of Sports Medicine Personal Training and Group Personal Training Certifications and Youth Exercise Specialist Certifications, Fitness Yoga Instructor Certification, FMS-Level, TRX-STC and the Pain Free Performance Specialist Certification amongst other smaller courses and certifications. I am also now the lead for the Fitness Industry Council of Canada - Saskatchewan Coalition. In my spare time I continue my love for biomechanics of movement training my horses and taking lessons in dressage and am also the 4-H General Leader for the Twin Valley 4-H Multi Club.

At our facilities we offer gym memberships, Personal Training, Small Group Training, Team Training, Yoga and more and enjoy all the friendships made with our members. When we opened our gyms I had no idea that we would create such amazing communities and safe places for people to become healthier versions of themselves mentally, physically and emotionally. I found my calling moving permanently into the industry and bringing on an amazing team of staff to help us make the communities we service healthier. We are a place that helps people with their mental health, chronic health conditions, pain and so much more. I love that we are able to be a part of making our communities healthier and that we can change someone's life for the better when they walk through our doors.

Danielle Laxdal

Studio D

I went to hair school in 2009, right out of high school. I attended SIAST Hair School in Melville, SK, at Parkland College. After graduating, I got my first job apprenticing under Heather Swanston-Tremblay, at Shear Success Hair Salon, in my hometown of Rocanville, SK. Heather helped me achieve my goal of becoming a red seal Journey person in a year and a half, so I could move to Fernie, British Columbia with my boyfriend, now husband, Nathan!

In BC, I worked for a small salon in Fernie for 8 months before we decided to move to another small mountain town, Elkford, B.C. I got a job at Kuts n' Kurls, working for an amazing woman, Doreen Scott, and her staff, a great group of like-minded women. Doreen taught me more about being an entrepreneur and business owner. After working there for 5 years we made the bittersweet decision to move back to Saskatchewan! We decided to settle in Kipling. I tried applying at all the local salons, but like most small towns, they were all home-based businesses and weren't able to take me on. With the support and design talent of my husband, we bought and renovated a building in downtown Kipling, and in 30 short days we were up and running! Studio D Hair & Nails in Kipling is a full service hair salon. Kipling and surrounding towns are so amazing! They welcomed us and supported our dream from day one! Studio D was booked solid my first week in business!

After a great first year and a half of being open, Nathan and I decided to start a family! After the birth of our daughter, Blake, we've only been open a few days a week. Being able to only take on a few of my clients was so hard financially and emotionally! But we were so lucky to find out a skilled friend was going to be finishing up hair-school, and she had a talented cousin looking for a stylist job as well! Jessica Froese and Meka Szakacs have been working out of the salon for several months now, and have brought an amazing energy with them!

After a hard few months being shut down with COVID-19, we were so excited to open up with these two new stylists to help with the high demand of clients. We are so excited to end 2020 on a good note and start fresh in 2021 thanks to all our wonderful clients and all your continued support!

Jodie Dunham Ross Gym and Fit

My name is Jodie (Ross) Dunham, I currently live in the Wawota area. I grew up in Winnipeg, MB where I started gymnastics at a young age. I spent most of my career training at the University of Manitoba with the High Performance Training Centre (HPTC). Gymnastics has always been my passion. Once I married and moved to the rural area I knew I could share my knowledge and my passion with the community.

I started training twice a day at the age of 13. This was the result of landing a spot on Team Canada. I was very fortunate to have been able to travel the world to different competitions. Some of my favorites were Four Continents Championship in Australia, International competition in Portugal and my ultimate favorite was training at the Olympic training centre in Colorado Springs.

Coaching was something I always knew I wanted to do. I started coaching for Rhythmic Royals and Sapphires in Winnipeg. Once I moved here I started with Wawota followed by Maryfield, Moosomin and Virden.

In 2014 I started Ross Gym and Fit bringing all the towns together under one club registered with Gymnastics Saskatchewan and/or Gymnastics Manitoba. Today we have many different classes ranging from recreational to competitive classes and have over 200 gymnasts.

I spend the rest of my time teaching boot camps, working with sports teams and personal training. I am certified under the Canadian Fitness Professionals.

I love being in the health and wellness industry whether it be gymnastics or fitness. The smile on the kids' faces says it all.

Dr. Pat Biglow-Lecomte Moosomin Dental Clinic

Life as a dentist began with graduation back in 1988, with the academic accomplishment of the Gold Medal for highest academic average over four years. I then worked as an associate in Winnipeg for seven years, and Moosomin Dental Clinic was purchased in 1995.

Being in business introduced me a host of new skills: overseeing building a new clinic, managing a staff, computerizing, new clinical skills including orthodontics and implants, bookkeeping, maintenance and new Covid protocols. With two family businesses, and three children active in many activities, I feel this could only have been done in a community like Moosomin with abundant local support and proximity for so many aspects of daily living.

I wish to thank all the staff and community members that have supported Moosomin Dental Clinic for the past 25 years for the imperfect perfection that is a challenging practice. Though no longer responsible for the practice management, I continue to enjoy working with the many wonderful clients that have supported the office. Thanks again to all.

Dr. Manal Soliman Moosomin Dental Clinic

My name is Manal Soliman. I'm a dedicated and well-qualified dentist. I graduated in 1989 from Alexandria University-Egypt.

I started my residency in the restorative dentistry department at Alexandria University in 1991, and was responsible for teaching both graduate and undergraduate dental students. Together with patient care in faculty outpatient clinic I proceeded with my post-graduate education in 1993.

I've worked as an associate dentist since my graduation, together with university teaching.

I arrived in Toronto in 2011, and was immediately engaged in research in the Restorative Dentistry Department, UFT. I completed the "National Dental Examination Board" in 2014.

Since then I have been applying all my advanced training together with my passion for dentistry to my work as an associate dentist in several clinics in Toronto. I'm also a clinical instructor in UFT. I received my license in Saskatchewan in 2019, and I am pleased to be in Moosomin. I have my nitrous oxide license and have always been involved in continuing education courses. I enjoy travelling and playing sports in my free time.

Rose Mullett Mullett's Home Hardware

So here we are, nearly two years after switching to Home Hardware, and renovations are completed! Customers are excited to see Home Hardware back in town, especially those who use Beauti-Tone paint and had to drive to surrounding towns to buy it.

Covid-19 has kept us very busy, with customers staying home and working on home renovations and other projects. It has been challenging with trying to keep items in stock, as many of our suppliers had to close their doors at the start of Covid. Slowly, things are returning to normal.

Our staff has worked very hard to make the transition to Home Hardware. Thanks to Sharen, Debbie, Lorne, Mallory and Sherry for helping us get there. We'd also like to welcome Corinna and Hayden to our team. We are thankful for our valued customers and their understanding through these trying times, and for their support in the past 33 years. Moosomin is a great place to live, and it's good to be "Home".

Lynn Fawcett Re/Max® Blue Chip Realty

I was born and raised in this wonderful community of Moosomin. After graduation I moved to Alberta and then to British Columbia where I had a career in the healthcare field.

While in British Columbia, I met my husband Tom and our son Jaimie was born and then we relocated to Alberta where our daughter Callie was born.

After being gone from Moosomin for close to 18 years we decided there was no place like home, so moved back.

Back in Moosomin I worked in the banking field, after 4 years of that I decided to try out my true passion for the Real Estate market. Since January 2016 I have been doing real estate and am loving every minute of it.
